Accounting Systems

Why LASSO?

- **Add Additional Details:** Make updates to the invoice to account for additional charges incurred during your event, account for previously made deposits, and payment terms.
- **Invoice with Ease:** Choose between sending an invoice to collect deposits, additional payments, event reconciliations, and more so you can easily keep track of what's been paid and what's outstanding.
- **Choose from Specific Quote Versions:** Select which iteration of the quote you want to submit for client payment because things change.
- **Customize with Formatting:** Use our editor to choose what level of detail you want to show on your invoice, and customize notes.
