

# Payroll that understands events.

Pay days with less delays.

LASSO's payroll system is flexible to accommodate all of your full-time, part-time, and freelance employees. Pay all employees and crew accurately, file multi-state taxes, and get help complying with payroll regulations on one, web-based system.

## Key Features

**Robust Reporting**

**Multi-State Tax Filings**

**Process Complex Pay Rules**

**Only Bill for Payrolled Crew**

## Why LASSO?

- **Crew Experience:** Give your team visibility into events that they're getting paid for with event names.
- **Robust Reporting:** Centralize all event and crew-related data with access to 250+ reports.
- **Handle Complex Pay Rules:** Account for varying pay rates and complicated pay rules when processing payroll.
- **Stay Compliant with Seamless Payroll:** Easily pay your freelancers, contractors, part-time and full-time employees according to exact specifications to meet any regulations.
- **Only Bill for Payrolled Crew:** Unlike other payroll solutions, you'll only pay to process payroll for your active crew (versus inactive) each month.

LASSO has partnered with Insperity to offer superior payroll software solutions and unmatched payroll support. And, it seamlessly integrates with Time Tracking on LASSO, so you'll never miss a clock-in or out.
