## Why LASSO?

- **Smart Spending:** Up-front cost projections show you the best crew to travel. See the true total before booking, get negotiated rates, and save unused tickets.
- **Integrated Travel Management:** Manage your unused tickets, provide hotel pre-authorizations for your team, and access 24/7 concierge support.
- **Schedule All Crew Travel in Bulk:** We automatically fill in travel preferences, rewards numbers, and other details, saving you time on each entry.
- **Automated Itineraries & Communication:** Ditch the chaos of emailing trip details to each crew member. LASSO shares each crew member's itinerary with them upon booking. No more miscommunications; no more frustrated crew.
- **Partner Discounts:** Access volume savings through LASSO's travel partner.

“Freelancers lose their minds over it — having all of the information clearly packaged and sent directly to them. I can’t tell you how often after someone does their first travel job with us, I get an email or text saying, ‘Hey, this is amazing! Nobody else does this!’”
