

An event-specific payments solution.

Efficient payment processing isn't just a convenience—it's essential.

Say goodbye to chasing down payments and hello to a seamless payment experience with the only payment platform built for event professionals. With LASSO Payments, you can send payment requests, track finances, and get paid faster than before.

Key Features

**ACH, Credit,
and Debit Card
Payments**

**Comprehensive
Reporting
Dashboard**

**Connect Payments
to Quotes and
Invoices**

**Process Refunds
and Disputes when
necessary**

Why LASSO?

- **Expedited Payouts:** Get paid as early as the next business day so you can access your funds and keep your cash flow strong.
- **All-in-one Platform:** Request payments in the same place you do the rest of your workflow and track their status across all your events in a single dashboard—saving you time and money.
- **Secure, Trusted Provider:** With our payment solution, we've put security checks in place for large payments upfront and are always checking for fraud—while ensuring your payments get processed fast.
- **Unified Reporting:** Access comprehensive, unified reporting for all payment types alongside your business management tools to get a full view of your payment status.
