

Find the crew you need for any event.

Say goodbye to the hassle of manually searching for crew members and dealing with disjointed crew management systems. LASSO streamlines the crewing process, saving you time and reducing costs.

Key Features

Access to Vetted Talent Pool

Data-Driven Crewing Model

Simplified Billing: No Rounding Up, No Daily Overtime

Dedicated 24/7 Customer Support

Why LASSO?

- **Improve Crewing Efficiency:** Crew Marketplace streamlines the crewing process, saving time and reducing administrative burdens.
- **Enhance Crew Quality:** By connecting with high-quality crew members, event organizers can confirm that their events are staffed by skilled professionals.
- **Reduce Costs:** LASSO helps reduce costs associated with manual crew management and inefficient staffing processes.
- **Easily Maintain Compliance:** No more worrying about insurance and liability with LASSO's W2 workforce.

“The process of using LASSO's Crew Marketplace is super easy. Grabbing figures to do my labor estimates is very easily achievable.”

-Will Wright | General Manager, Michael Andrews
